

## Public Enemy Lyrics

"So Be It"

(feat. Jahi)

And if you don't like this thing, let's get ready to change it!

It got the summer written all over it

It is time, time for it to happen

What the fuck is it? (Get it!)

Some still can't deal with it

Kill fast until they kill it

DJ Lord, Public Enemy, they be killin' it

Still don't get it confused

Shit I be killin' it dude

Elevated

It ain't the shoes

It is what it is

So be it

Ain't just pointin' to my fitted

It's what's inside it (Get it, get it, get it)

It's happenin'

It's got feeling, it's got groove

Power to the people

It's got nothing to lose

You can bob it, weave it

Some love it some leave it

Knowledge is power but

Some keep it a secret

Some really need it

Some say it from the rooftops

It's doorstops and stoops

Till it's livin' and breathin'

Yo

Yo one two

So bet it and let it be

Y'all know it

So be it

Then be it so

So it be

Revolution

Then let it be known

C-H-A-N-G-E-I-T

So be it and let it be

Y'all know it  
So be it  
Then be it so  
So it be  
Revolution  
Then let it be known  
C-H-A-N-G-E-I-T  
So be it and let it be

It can be whatever you believe in  
It can't stop, won't stop  
Not a one size fit  
Whatever you want in the world  
Start by being it  
I'll never star it, spangle it, banner it  
Some voted it  
It is what it is  
Hope got choked out didn't it (Get it!)  
Press secretaries in suits that just don't fit

Chuck I got it, can't stop it  
Or cock block it  
Ignore these false prophets  
Blinded by fake profit

It is a damn shame  
It is the same game  
It is too late to complain  
Can't stand it (Get it!)  
Loud and proud, too strong to ignore it  
Either you against it, huh yeah, or you for it  
Lie for it, die for it, do your damn best  
At the test, come on uh, yeah try for it  
Political landscape morbid  
Seen my ancestors forbid it  
Jahi and Marcus wrote it

(Wooo-eee!)

Y'all know it  
So be it  
Then be it so  
So it be  
Revolution  
Then let it be known  
C-H-A-N-G-E-I-T  
So be it and let it be

Y'all know it  
So be it  
Then be it so  
So it be  
Revolution  
Then let it be known  
C-H-A-N-G-E-I-T  
So be it and let it be

But you can quote it if I spoke it  
I spray words on the target  
Hold my pen the same way they hold an AK  
Cause you can still lose your life for it  
Some belief in me is all that I need  
I know it, so be it, it be so, so it be  
I never ask for it, that's just me being me

State of the free it  
As I see it through world eyes  
Not on the demise  
Global people on the rise  
Don't sit!

You pick up the pieces I'll bring the glue  
So be it for me, so you can be you  
You pick up the pieces I'll bring the glue  
So be it for me, so you can be you  
You pick up the pieces I'll bring the glue  
So be it for me, so you can be you

One two  
One two  
So be it and let it be

Y'all know it  
So be it  
Then be it so  
So it be  
Revolution  
Then let it be known (Come on!)

C-H-A-N-G-E-I-T  
So be it and let it be  
Y'all know it  
So be it  
Then be it so  
So it be  
Revolution  
Then let it be known  
C-H-A-N-G-E-I-T

So be it and let it be

Get up, it's the moment they fear  
Can't stop won't stop  
Be the change you wanna be  
Be the change you wanna see  
Get up, it's the moment they fear  
Get up, it's the moment they fear  
C-H-A-N-G-E-I-T  
So be it and let it be
